

# Help us create an accessible community for all.

Dear Friend of CPD,

**My quality of life has greatly improved once I reached out to Peterborough's Council for Persons with Disabilities (CPD).**

As a person who lives alone with a disability, social gatherings and staying connected to others has always been a hurdle for me. At times it felt as if I was invisible to those around me or left out because of my disability, and COVID-19 has only doubled down on my feelings of isolation.

**CPD helped bring a happy, active, and friendly community into my life.**

The team was wonderful to work with, helping me get connected to other people with similar life experiences. Through their programs, I now receive regular phone calls from someone who is concerned about my wellbeing. I also participate in their social events where a group of us will get together to chat, play games and sports, and create together.

**CPD provides safety, inclusion, and community to those living with disabilities**, but they can't do it alone. Please consider making a donation over dinner tonight. With your help they can continue to support the physical and mental health of Peterborough's accessibility community.

With gratitude,  
Eve Morris

(Name changed for identity protection)

**"Without a phone call from CPD,  
I wouldn't have heard from  
anyone for months"**
